2012 Indoor Schedule

Special Events:

3/10/12 - 3/11/12 Southeastern Indoor Sectional Bowed Up Archery
3/31/12 - 4/1/12 NFAA Indoor National Championship Louisville, KY

In order to increase participation and give everyone a chance to qualify for the 2012 NCFAA Indoor State Championship Tournament, we are going to institute something new. Beginning Feb 4, 2012, any archer anywhere in the state who would like to qualify for the state championship and has not yet done so may acquire an official five spot or Vegas target face, and on the honor system, shoot a qualifying round from the appropriate distance (10 yards for under age 12 and 20 yards for 12 and older) at a time and location of your choosing. Keep an official score, record the date and score on the target face and sign it. Bring this target face with you to the state championship, or alternately you may take a picture of the target and email it to timeaton@yadtel.net by Mar 1, 2012 and pay an additional \$10 to the tournament host when you register for the state championship. You do not have to be a member of the NFAA/NCFAA to qualify.

As always, guests are welcome to shoot in all tournaments, but you may not compete in the state championship for awards unless you are a member and have qualified. If you wish, you may join at the state championship when you register.
